Dear Customer,

You're Successful because you're Smart.
You're More Successful because you're Smarter.
You're Smarter because you've made **better-value investments**.

Regardless if your company is big or small, Alidhra Weavetech understands that a new machine investment can make a world of a difference to your business.

Alidhra Weavetech today, beyond doubt, is the largest manufacturer of most-successful Rapier Looms in Surat & India and it commands the largest market share. This position has been the output of long term vision of providing our customers the best value in terms of quality, performance & reliability over the products lifetime.

Smarter customers have better figures & know what to look for:

Performance	Investment	Operating Cost	Simplicity
<ul style="list-style-type: none"> + High Efficiency + Wide Range of Yarns + Fine to Medium GSM + Reliable & Consistent 	<ul style="list-style-type: none"> + Low Cost, Less Space + Long Life, High Re-Sale + Pre-Assembled Delivery + Factory Direct 	<ul style="list-style-type: none"> + Low Energy Cost + Reduced Maintenance + Low Cost Spare Parts + Low Labour Cost 	<ul style="list-style-type: none"> + Local Spares & Service + Easy to Operate + Easy to Maintain + Quick Setup

It is no surprise that our machines command the highest re-sale value while having the lowest Total-Cost-of-Ownership (TCO*) in its class in the market.

**TCO = Initial Price + Cost to Operate over Lifetime.*

If you're thinking of investing in new machines, we believe that Weavetech's ACE - Rapier Looms will be a truly profitable addition to your future plans.

We will be glad to address any queries and welcome your valuable suggestions. We assure you of our prompt & reliable service, always !

Yours truly,

Mr. Vallabh Thumar
Managing Director
